

9BM

3-In-1 Inflator

- Diaphragm pressure gauge
- Accuracy: ANSI B40.100 ±3% ~ ±2% ~ ±3%
- Special rubber housing protects manometer against light impacts
- 3 functions(check, release, inflator) all together on the press handle
- Variable trigger, two control positions for inflate/deflate leve
- Flexible 400MM high pressure rubber hose with clip-on air tire chuck
- Pressure Range:
- 0-160 psi (9BM21) / 0-220 psi (9BM22)
- Built in hang-up hook allows easy storage
