

87405-2

Modular Stacking Box (456x372x155mm)

— According to the demand of tools in different working environments, we've designed toolboxes to cope with different working situations. It is more convenient for the out of home technician to carry the tools, also reducing the time for the technician to go back and forth between the vehicle and the construction site.

— This saves the technician's time and energy, improving the technician's work efficiency and mobility

— The sturdy and ergonomic handles on the lid and in the front can be easily carried according to your requirement
