

Multi-purpose Scissors

6AB33-95

- Ergonomically-designed handles are comfortable and durable during usage
- For cutting soft materials such as tin sheets, plastics, CD, cards and papers...etc
- The stainless steel blade and the curve-blade design makes it steady and saves strength while cutting
- The big angle design between blades and the handles of the scissors makes it so your hand never touches any object while operating
- Designed to conveniently adjust blades
- The blade is made of 420J2 stainless steel material
- PP+TPR handle material

• Large angle of blades

• Small angle of blades

• Big angle design between blades and the handles of the scissors

• Iron wire cutter
