

# 5 in 1 Multi-functional Electrician Scissors

## 6AB14-06

- Professional scissors with special steel frame for high resistance and durability
- High hardness blades and anti-slip serrated edge for making precise cuts
- Light and strong handles are made from impact-resistant plastic material
- Ergonomically-designed handles are suitable for a comfortable grip
- PP+TPR handle material
- The blade is made of 4034 stainless steel

• Crimping terminal of cable

• Scraping

• Welding cable 100mm<sup>2</sup>

• Wire stripper 1.5-4mm<sup>2</sup>
